K.L. Jain  
Chairman

Hemant Jain  
Director

Pushp Jain  
Director

I believe that nothing is more powerful and prevailing than reinventing oneself against a world of changes; a world of dynamic competitive environment, global growth, raw material change and sustainability. Team KLJ is responsive to the changing dynamics of industry and market by integrating breakthrough innovation, new technologies and overall operational excellence.

We operate by keeping in mind the goal of maintaining a uniqueness of our own in whatever stream of business we undertake.

Looking at our performance over the last 47 years, I’m pleased to say that we have recorded a well-balanced growth across our portfolio of businesses.

KLJ is today leading from the front with an empowered sense of ownership and supreme confidence in what the future unfolds for us.

KANHAIYA LAL JAIN  
Chairman, KLJ Group

KLJ GROUP

Started in 1967, KLJ is the Largest Manufacturer and the Market Leader in Plasticizers & Polymer Compounds in South Asia. Their ultra modern manufacturing facilities at Silvassa & Bharuch in India and at Rayong in Thailand are equipped with state-of-the-art technology, producing a wide range of products to meet their Customers’ requirements.

KLJ is in an advanced stage of setting up an ultra-modern Chlor-Alkali plant in Qatar; expected to be upstream by 2016.

KLJ is also diversifying into chemistry of Benzyl Alcohol, Benzaldehyde and its derivaties. The project is coming up in Jhagadia, Gujarat and is expected to be commissioned by end of 2015.

Making use of vast Supplier, Distribution and Customer network, the Group has also made strong in-roads into Trading of Petrochemicals, Derivatives & Polymers.

Identifying infrastructure as a significant factor in development of national economy, the Group has expanded into Real Estate Development also.

Besides industrial growth, the Group is committed to Social Objectives, improving lives and spreading happiness.

Total Solution in Plasticizer & Polymer Compound
The pace of change is accelerating, be it the consumer demand or the regulatory environment. The need for a dependable plasticizer supplier is of utmost significance for continual product development.

KLJ Group manufacture the widest range of Plasticizers of consistent quality and reliable performance for standard and special applications, along with dedicated lines for Non-Phthalate REACH compliant Plasticizers.

An expansive product line developed to respond to the growing requirements of every industry & market.
Product Range

**KANATOL** | **Phthalate Plasticizers**
Kanatol-1212 [DDDP], Kanatol-1210 [DUDP], Kanatol-1001 [DIDP], Kanatol-1000 (L) [DDP (L)], Kanatol-1010 [DHP], Kanatol-900 [DINP]*, Kanatol-800 FG [DOP-FG]*, Kanatol 800 [DOP], Kanatol-1056, Kanatol-7723, Kanatol-7720, Kanatol-400 (M) [DBP-M], Kanatol-400 (N) [DnBP], Kanatol-400 (L) [DIBP], Kanatol-200 [DEP], Kanatol-100 [DMP]

**KANATOL** | **Speciality Plasticizers**

**KANATOL** | **Maleate Plasticizers**
Kanatol-9M [DINM], Kanatol-8M [DOM], Kanatol-4M [DBM], Kanatol-2M [DEM], Kanatol-1M [DMM]

**KANATOL** | **Flame Retardant Plasticizers**
Kanatol-Flameguard C-100 [TCP], Kanatol-Flameguard C-70 [TCP-70], Kanatol-Flameguard C-40 [TCP -40], Kanatol-Flameguard P-100 [TPPA]

**KANAMOLL** | **Epoxidized Soybean Oil**
Kanamoll-620, Kanamoll-650, Kanamoll-651*

**KANACHLOR** | **Chlorinated Paraffins (CP)**
An extensive range of Chlorinated Paraffin Grades are manufactured with varying paraffin carbon chain, chlorine contents & stabilizer to suit the specific needs of the customers. Reach registered products available.

*Approved for Food Contact Application. REACh Registered / Pre-registered products available

Applications
- Wires & Cables
- Leather Cloth
- Vinyl Flooring
- Medical Equipment
- Non-toxic Food Packaging
- Footwear
- Flexible PVC Films
- Adhesives
- Perfumery
- Automobile Parts
- Rubber Belts
- Flexible Pipes and Tubings
- Paints
- Lubricants
- Metal Working Fluids
- Furniture
- Chemical Intermediates, etc.
KLU Group provides total solutions in product specific compounds that satisfy a wide range of applications and provide highest value proposition to customers. KLU offers customized solutions manufactured at their High Capacity automated plants. “Research and Development is at the centre of developing innovative solutions.” To ensure consistent quality and high performance, all products undergo extensive R&D and Application Testing before entering the market.

A team of highly proficient and dedicated engineers, scientists and technical staff are continuously working to respond to the challenges of the times.
TOTAL SOLUTIONS IN POLYMER COMPOUND

Product Range

**VINYL** | PVC Compound
Footwear, Wires & Cables, Medical, Automotive, Sports, Profiles, etc. Dedicated line for Phthalate free grades.

**XL** | Sioplas PE Insulation Compound
Silane Grafted Moisture Curable (up to 35 KV)

**PX** | Peroxide PE Insulation Compound
Peroxide XLPE for CCV Lines (up to 35 KV)

**SC** | Semi-Conductive Cable Compound
Semicon for Sioplas & CCV lines (up to 35 KV)

**EPR** | EPR Compound
EPR Cable Compound (up to 35 KV)

**ZHFR** | Zero Halogen Flame Retardant Compound
Sheathing and Insulation for Wires & Cables

**PO** | Polyolefin Compound
HDPE/MDPE/LDPE Compounds for Insulation & Sheathing

**PLENE** | Polypropylene Compound
Automotive & Appliances | ISO/TS 16949:2009 Certified

**FLEX** | TPR & TPE Compound
Footwear, Medical, Pen Grips, Tooth Brush Grips

**VA** | EVA Compound
Footwear

**Masterbatches**

**VMB** | PVC Master Batch

**UMB** | Universal Master Batch

**PMB** | PE Color Master Batch

Color/Performance Master Batches
REACH/RoHS/Phthalate Free grades also available

Applications

- Wires & Cables
- Footwear
- Medical Equipment
- Automotive
- Appliances
- Profiles
- Engineering
- Mouldings
- Packaging
- Hygiene
- Sports
- Irrigation, etc.
- Flooring
- Rigid Mouldings
- Rigid Profiles
- Hose Pipes
- Soft Grips
CHLOR-ALKALI
LIFE PROCESSES ARE CHEMICAL BY NATURE

KIJ Organic Limited has entered into a joint venture with Qatar Industrial Manufacturing Company (QIMC) to set up an Integrated Chlor Alkali Complex at Mesaieed Industrial City (MIC) in Qatar, which is likely to commence by first half of 2016. The newly formed entity, KIJ Organic–Qatar W.L.L, will harness the power of KIJ Group's strength in Chlor-Alkali & Chlorinated Paraffin markets in Gulf, Middle East and beyond.

Product Range
- Caustic Soda
- Chlorinated Paraffin
- Hydrochloric Acid
- Sodium Hypochlorite
- Calcium Chloride

BENZYL PRODUCTS

KIJ is diversifying into different chemistry of Chlorination of Toluene and its derivatives. The project is likely to be commissioned in Jhagadia, Gujarat by end of 2015.

Product Range
- Benzyl Alcohol
- Benzaldehyde
- Benzyl Chloride
- Sodium Benzoate
- Di Benzyl Ether
- Hydrochloric Acid

Applications
- Pesticides
- Pharmaceuticals
- Perfumery, Soap and Flavour
- Dyes
- Paints & Inks
- Photographic developer

PETROCHEMICAL TRADING
BUILDING A STRONGER ECONOMY

Realizing the potential of chemical industry, KIJ Group has ventured into Petrochemical Trading. The Trading arm of KIJ Group is engaged in importing of Petrochemicals & blending of Base oils in India. Product range also covers a range of Paraffins, Alcohols, Aromatics, Ketones, Monomers, Acetates & Amines to name a few. Strong tie-ups with leading global players ensure cost effective and uninterrupted supply to its customers.

With Pan India presence of Marketing Network, Storage Tanks (with Sales of over 200,000 MT), Drumming and Distribution facilities; KIJ Group leverage on their modern R&D facility to provide comprehensive and complete solutions, ensuring satisfaction across the value chain.

KLJ Resources Limited, engaged in Import, Marketing & Distribution of Petrochemicals, Derivatives & Solvents in India.
KLJ Group is one of the Largest Importers of Petrochemicals in India, with a trading turnover exceeding US$ 290 million.
Wide Marketing Network and Storage Centres located in all Major Strategic Locations across India.

KIJ is setting up an Integrated CHLOR-ALKALI Complex in Qatar
KIJ is setting up a Benzyl Alcohol & Benzaldehyde Project in Gujarat
Gujarat project is likely to commence by 2015 & Qatar Project by 2016

Anything not made from Nature, is made from Petrochemicals
RESEARCH & DEVELOPMENT
INVESTING IN TECHNOLOGY AND EXPERTISE FOR NEW PRODUCTS & PROCESSES

Dedicated team of Doctorates and Technical Personnells to develop the best Products for Customer Satisfaction.
Pilot Plants to develop new Products, Grades and Applications.
Most modern, specialized instruments like FTIR, GCs, Rheometre etc., rich library and latest application machineries to test products for specific applications.
State-of-the-art equipment for end applications to study the product behaviour for different end uses like extrusion, shoe moulding, injection moulding, film/sheet making, etc.
Applied Research for process improvements and new technologies.

Our 45,000 sqf. state-of-the-art R&D facility enables KJI GROUP to be in the forefront of the Latest Development & Product Innovation.

Clear focus on R&D keeps the Group ahead of the competition and provide Customised Solutions to their Customers.

APPLICATION DEVELOPMENT
* Pilot Plants of various capacities
  * FTIR
  * UV
  * GCs
* Autoclaves
  * Rheometer

APPLICATION PLANTS
* Wire
* Sole
* Foam Sole
* Film
* Tubing
* Injection Moulding
* Flammability
* High Voltage Test
ENGINEERING REAL SOLUTIONS
FOR SUPPORTING INFRASTRUCTURE

REAL ESTATE
Real Estate is one step further towards accomplishing Group’s corporate goal of infrastructure development and economic progress. KLJ is credited with introducing IT and ITes projects of global standards followed by next generation commercial spaces. Super luxury residences are next on its anvil. KLJ Developers is embarked on a journey of answering the modern customer’s needs for a better lifestyle and work style with quality construction supported by a skilled team of engineers and architects.

LANDMARKS THAT MARK THE DIFFERENCE...

RESIDENTIAL
- KLJ GREENS
- KLJ HEIGHTS
- KLJ PINNACLE
- NAKSHATRA
- NIRVANA FLOORS

COMMERCIAL
- PLATINUM FLOORS
- PLATINUM HEIGHTS
- PLATINUM PLUS
- VEDANTA

COMMERICAL
- KLJ SQUARE
- KJ TOWER NORTH
- SHOP IN PARK NORTH

IT/ITES
- NOIDA ONE
- NETWORK CITY
- PARK CENTRA

OPERATIONS
EXTENSIVE MARKETING & DISTRIBUTION
AUGMENTED BY TECHNICAL SUPPORT

- Agents/Contact points in all major cities.
- Sales presence in 80+ countries across the world & distributors in the major ones.
- Wide direct customer base, from large corporates to small industries.
- REACH registered/pre-registered products

SALES PRESENCE
WORKING TOGETHER
ACCOMPLISHING TOGETHER

THE PEOPLE
Our people are our most valuable asset and key to achieve our mission of Quality and Customer Satisfaction. With over 1300 trained personnel forming a dedicated workforce, we’re well equipped to meet the challenges of industry. Appreciating their invaluable contribution, we ensure training and development programs to equip them with requisite knowledge and expertise.

The strength of the team is each individual member. The strength of each member is the team.

MAKING GROWTH INCLUSIVE BY ALIGNING OUR ASPIRATIONS WITH COMMUNITY

“GREEN AND SAFE KJ” is our corporate motto which comes by integrating social responsibility with company achievements. Believing in the dictum that “Businesses cannot be successful when the society around them fails”, we undertake initiatives to promote education, sports, human values, safety and healthcare for society’s welfare.

SAFE SOCIETY
We follow a policy of “Zero Discharge - Zero Accident” to ensure safety for our employees, neighbours and environment.

EDUCATION FOR ALL
Quality education is the need of today and builder of tomorrow. We fulfill this objective through our non-profit institutions that offer education to children and make them productive citizens of tomorrow.
Sumermal Jain Public School, Delhi (2 branches with 2200 students) | Girls School in Bikaner, Rajasthan | College in Gangapur District, Rajasthan

HEALTHCARE
We conduct regular health camps and blood donation drives to encourage the spirit of humanity and donation for those in need.

Business is the economic engine. By accepting responsibility, we create a world that works for all
